RELIABLE PERFORMANCE 52 WEEKS OF THE YEAR

SUNFLO 2 PUMP

Reliable performance 52 weeks of the year

FOR A DETAILED
SPARES LISTING GO TO
www.blu52.co.za

The Blu52 Sunflo 2 Pump was developed from the ground up using new technologies and materials to ensure reliable performance 52-weeks of the year. The Sunflo 2 Pump is designed, tested and manufactured in South Africa, for Southern African conditions. The Sunflo 2 Pump reduces cost of ownership through significant improvements in energy consumption and water flow. The Blu52 Sunflo 2 Pump is the perfect addition to any pool or spa.

APPLICATIONS

For residential swimming pools and spas only

- In-ground pools
- Above ground pools
- Leisure spas
- Solar pool heating
- Water features

Why choose the Blu52 Sunflo 2 swimming pool pump?

- Safety due to the complete electrical separation between the motor and the pump body
- Low noise due to the heavy duty construction of the motor and the pump body
- Easy opening pump lid
- Oversized easy to clean basket
- Supplied with barrel unions for easy fitment
- 3/4" Composite stainless steel shaft
- 6-Bar ceramic shaft seal
- Self-resetting thermal overload in the motor

BIGGER

- Wet End
- 6-Bar Ceramic Shaft Seal
- Impeller
- Diffuser

STRONGER

- Composite Stainless Steel Shaft
- Thermoplastic Body
- Motor Components

QUIETER

- Electrical Motor Noise
- Water Noise

EFFICIENT

- Electrical Motor
